# Dimitrios Gkorovelis

Senior UX Designer at Globant Gut | 8+ Years Crafting Delightful Digital Experiences | Figma, Adobe, Prototyping & More | Turning Tech into Art

Copenhagen, Capital Region of Denmark, Denmark

## Summary

Hey, I'm Dimitris! With over 8 years of transforming the tech and marketing world through creativity and design, I've built a portfolio that blends art and science. As a Senior UX Designer at Globant Gut, where creativity meets AI, I dive into designing webpages, leading user testing sessions, conducting UX audits, and crafting design systems. My mission? To make tech not just usable but enjoyable for everyone. From Figma to Figjam, I love using the latest tools to turn ideas into delightful digital experiences. If you need a design maestro who can make users fall in love with your product, let's connect!

You can also check out my case studies at <https://gorodimitris.gr/>.
